Chris

I'm still waiting to hear back from Shaun. I will let you and Mike know as soon as that happens so that we know that he is okay with the talking points.

Thanks

Chris,

Here is the latest version to send on to Mike Koerber. I think Carl was waiting for Shaun to weigh in before sending it to Mike.

Thanks,

Shaun

We had a call earlier today with OAQPS and OGC to prep for the call with OMB staff tomorrow to discuss our understanding of OMB's outstanding concerns and determine what concerns still remain. We can then provide you and Janet McCabe with relevant information in anticipation of a potential follow-up conversation with OMB senior management.

Janet is not planning to be on the call, however, Mike Koerber, OAQPS Deputy Office Director, will be on to facilitate the discussion. Mike has asked for an issue paper to review prior to call.

Attached is a draft we have prepared based on input from ORC, OGC, and OAQPS. I would like to send the paper to Mike tonight, but wanted to give you a chance to look it over before I send out.

If you can't get to it tonight, I can send it to Mike early tomorrow as the call isn't until 1pm our time.

Thanks
